**RYAN WHITE ANNUAL PAYMENT CAP**

The HIV program at Southwest CARE Center is partially funded through a grant from the Ryan White Care Act. As a recipient of Ryan White funds, Southwest CARE Center will not charge you for services if your health care costs exceed an annual payment cap. This cap is a percentage of your annual income and follows the guidelines described in the Ryan White Care Act. The payment cap limits the amount you can be charged by us for out-of-pocket medical expenses.

Use the table below to determine your **Ryan White Annual Payment Cap**.

Annual Individual Gross Income	% Charge
0 to \$12,880	0
\$12,881 to \$25,760	5%
\$25,761 to \$38,640	7%
>\$38,641	10%

**Calculate:**

Annual Individual Gross Income \$ \_\_\_\_\_ X \_\_\_\_\_ % = \$ \_\_\_\_\_

Attached is a table to track your out-of-pocket expenses which is a requirement of this benefit. Qualifying expenses include, but are not limited to the following: physician office visits, mental health and substance abuse counseling, dental care, ophthalmology care, dermatology care, prescriptions, medical insurance premiums and co-pays, and over-the-counter medications. Charges can occur on-site at SCC or through other medical providers.

If you reach your Payment Cap or have questions, contact your case manager or a Ryan White Case Management Manager at 505-989-8200. Southwest CARE Center will not charge you for any additional services we provide for the rest of the year.
